

English

We will be talking about and listening to stories, writing labels, captions and simple sentences. We will also be very busy with phonics and guided reading.

History

We will compare toys from the past with our toys of today and learn about Guy Fawkes.

Geography

We will draw simple maps of our classroom and school and follow direction.

Mathematics

We will focus on the important underpinning skills of counting, place value as well as some addition, subtraction and shapes.

Art

We will draw our observations, experiment with colour and compare the work of Picasso with our own self portraits.

Toys

Ash Class Term 1

Computing

We will learn about online safety and create and debug simple programs.

PSHCE

We will think about how we can be safe and succeed at school.

R.E.

We will learn about the Christian story of Creation and how we can look after the world.

Science

We will be exploring, investigating and discussing everyday materials.

P.E.

We will be focusing on skills such as balancing, coordination, throwing and catching.

Music

We will be using our voices expressively and experimenting with beat and rhythm.
