

History/DT

We will be looking at the **Vikings**, next term. Do some research about Viking long-ships. What did they look like? What were they made of? **Show me** the results of your **research**.

Design and make a 3D image or **model** of a Viking long-ship. You can make it with any materials you like. Be creative - try Lego, modelling clay, cardboard - or you could even knit or sew one!

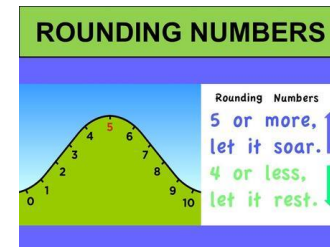

Birch Class Homework

Due in:
Fri. 3rd Nov.

Maths

Show me what you know about **rounding numbers**. Can you **explain how** to do this? (For example - What are the rules?) How do we round to the nearest 10, 100, 1000 or bigger number?

You could write an explanation, with examples, design a poster for our maths helpdesk - or even make up a rhyme - you choose.

Spelling

How many words can you find that end with the **suffix -ous**? **Show** me that you can use (at least) some of them in sentences, too.

Reading

Choose and read a news report that interests you. Write a brief summary of the report, telling me what it was about. (You can read the report in a paper or online.)
