Maths

At school we have been sequencing familiar events such as changing for P.E, cleaning our teeth, making a sandwich...

Try out some of the activities on the sheet attached to help your child to learn to sequence and use the time words below

First....next...then...after that... finally

*How are you getting on
learning your doubles?
1+1=2 2+2=4 3+3=6 4+4=8...*

Please help your child to complete their homework. These are things we have been working on at school and your child needs to be able to do them. They don't have to record anything but they can if they want to. Please write the date when the homework has been completed so that I can see that they have done all of the tasks.

Thank you for your support.
