## Maths

This week we have been learning  
about halves and halving

*Look for opportunities to half objects  
or numbers. We have been halving  
numbers by sharing into two equal sets.*

Next week we launch our new  
topic **People Who Help Us**

Can you write a list of the people who help  
you at home, at school and in the wider  
world?

Completed on .....

Please help your child to complete their homework. These are things we have been working on at school and your child needs to be able to do them. They don't have to record anything but they can if they want to. Please write the date when the homework has been completed so that I can see that they have done all of the tasks.

Thank you for your support.
