

Spelling, Punctuation and Grammar

Find some creative ways to learn your weekly spellings.

Maths

We have been learning about negative numbers. Find the temperature in some countries around the world. (find some countries with cold temperatures)

Write the difference between this temperature and the temperature in England on the day you do your homework.

English

We are learning about legends. Find a legend with an interesting character. Write a paragraph to describe the character.

Don't forget to keep reading. Try to get 20 reads.

Team points for good presentation and handwriting.

Remember you can email work to
