

Mathematics

Decorate your homework book

Please make sure your name is clearly on the front of the book. You could even make it like a cover of a book, creating a title and putting a blurb about yourself on the back cover!

We have been looking at writing numbers as words and numerals. Show me how many you can remember.

Remember you don't just have to write these in your book. You might find some while you're out and about. Perhaps take a photograph and stick that in your book.

Ash Class Homework

Friday 29th September

Please hand back in by Friday 6th October or once completed

Spellings

How many words can you learn to spell this week?

Remember you can exceed your challenge and work on the silver and gold ones too.

English

Getting to know you!

Write or make a presentation/poster about yourself, showing what you like to do, things you are interested in, information about your family and anything else that you think we would like to know about you!

Parent Response

My child has completed this independently:

Yes

No

My child put in this much effort:

Any other comments:
