

Year Six

Research Homework

22.9.17

Maths

Practise your times tables, in preparation for a test on Thursday. How many times table questions can you correctly answer in three minutes?

Topic

There were lots of different emperors who ruled the Romans. Find out about some of these interesting individuals!

You do not need to write anything down, but be prepared to come in and talk about the work that you have been doing on Friday 29th September.
