

8.9.17

Due in: 22.9.17

## Year 6 Homework

### Maths

Choose 5 numbers with 6 digits or more. Show that you can write these using words, and round them.

### Reading

Choose a new reading book to start the term with. Make sure it contains at least 5 words that you find difficult to read or understand. Write a definition for each word and show me how it can be used in a sentence.

### English

We are learning about what a Roman battle would have been like. Try to show what the atmosphere would have been like in a battle, and carefully select words to describe this.

### Spelling Punctuation

**and Grammar** This year, we will continue to use words that contain prefixes (such as unfair and immature.)

How many different prefixes can you think of? Show me using your own word lists.

Homework can also be emailed to [misshulse@bridlewood.swindon.sch.uk](mailto:misshulse@bridlewood.swindon.sch.uk)
