

'A place for learning, caring, sharing and growing together'

Dear Parent,

Message from the Headteacher

This week our year 2 and year 6 children had visits from the fire safety officer and we welcomed parents to our phonics workshop. We received great feedback from parents and the presentation and resources from the workshop will be added to the website. Also this week, the year 6 children met their Cherry and Pine class buddies for the first time and enjoyed supporting them on the playground and in the classroom!

I am sorry that we have still not received our final Ofsted report. This will be sent out to you as soon as it is published.

Individual School Photos: Thursday 28th September

Please remember if you would like your child photographed with a pre-school sibling, they must come to school for 8.30am

Kitchen

'Congratulations to our lovely kitchen staff, who have managed to retain their 5 star rating for food hygiene from the Environmental Health Officers at SBC'

The Giving Machine

You may be aware school budgets are becoming tighter every day, so may we ask parents to sign up to The Giving Machine. There is no costs involved, but the school, as your nominated charity, receives a donation from each item purchased. Many retailers including Amazon have agreed to make donations. Please look on the website thegivingmachine.co.uk sign up code 57548

Doing It For Dan

On Wednesday 27th September, the children should attend school in their sports clothes ready for an active morning. In the afternoon, we will be running for Dan and raising money for the charity set up in his name. Please see our Just Giving page for more information:
