### Message from the Headteacher

Maple class enjoyed a trip to Hampton court this week to bring their Tudor topic to life! They enjoyed a fantastic workshop getting into role and their behaviour was excellent.

The cross country team braved the rain earlier in the week with some super individual and team performances. They all finished the run at Lydiard Park Academy, which included the park itself and each race had around 90 runners from around all the Swindon schools. Thank you to Miss Hulse for organising and to the parents who helped and supported the children.

See below for the results!

Our Speed stacking festival was a great success, with all children taking part in this competition earning points for their house. See below for the final result which was very close!

We have finished this busy week with 'Draycott Sport' in school delivering first aid sessions to the year 4,5&6 children and Mr Ryan has also been into year 6 to teach science workshops today!

A reminder that we finish for half term on Tuesday 23<sup>rd</sup> at the usual time of 3.15pm. We will be saying good luck to Mrs Latham who is going on maternity leave and wish her all the best with her impending arrival! I look forward to seeing you all back refreshed and ready after the holiday.

### Cross Country

Well done to all the children that competed the cross country at Lydiard Park.

Particularly Woody who came first in his race, Joshua who came 3rd in his and Oliver who came 4th in his race.

Year3/4 boys team were also 2nd overall.

### Bridlewood Beat the Street

Thank you to everyone who has been out tapping for Beat the Street. We are currently in amazing third position on the total points leaderboard and first place on the average points leaderboard.

The involvement from children and parents has been fantastic so far, but with the end of Beat the Street looming, we need to make sure the effort is maintained in order to keep our well deserved first place!

Well done everyone!

Last day for Beat the Street is Wednesday 24th October.
