Message from the Headteacher

There has been plenty of sport on offer this week with some classes enjoying Tae Kwondo sessions from Pat O'Driscoll from MF Martial Arts.

The hockey team held their own at the Swindon schools' tournament but faced some tough opposition in their group. Thank you to all the parents who helped walk the children to the event and supported on the sideline! The Netball team were also in action and with their match against Greenmeadow on Thursday. There is more Netball and other sport to come next week with 'Skippy John' delivering skipping workshops to all the classes. There was more collaborative work with the local schools this week, with the maths leaders meeting to share good practice and there have been visits to Catherine Wayte school for some staff. A group of our older children also enjoyed a maths session from the Headteacher of the Great Western Academy.

Uniform Reminder

The school holiday was the perfect opportunity to check shoe sizes and make sure children are kitted out in the correct school uniform. Please remember to send your child in school shoes and NOT trainers or 'Ugg' boots. Please support us to ensure the children are looking smart at school. If you need financial assistance to ensure your child has the correct uniform, please don't hesitate to speak to us.

Mosaic

Next Wednesday (17th January 2018) the whole school will be taking part in making a mosaic to go on the outside of the school building. We have invited an artist in and she will spend some time with each class creating the art masterpiece. We are looking forward to it and will make sure we put some photographs on the website for you to see it taking shape.

No chocolate please

As you know Bridlewood Primary School is a "healthy school" and in line with this we do not allow chocolate in school lunches or packed lunches. Please could you make sure that your child does not bring chocolate in their packed lunch, so neither the child or the adult in the lunch hall has a difficult moment when other children all point at the chocolate!

Tae Kwondo

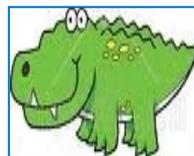

Four of our classes were lucky enough to have a visit from Pat O'Driscoll from MF Martial Arts. The children learned some Tae Kwondo moves but more importantly were taught that a positive attitude is so important to be successful in life.
