

Newsletter: Wednesday 11th May 2018

Message from the Headteacher

I hope you all enjoyed the long weekend especially as the weather was good to us! Last week, Cherry class enjoyed a visit from the fire service as part of their topic on 'People who help us'. Key stage 2 children also enjoyed a visit from published author Billy Bob Buttons, who delivered workshops for the children on the process of writing. There are order forms in school if you are still interested in purchasing one of his books.

Good luck to all of year 6 with their SATs next week! They have been working very hard and are well prepared for the week ahead.

After Bridlewood Club (ABC)

Here at ABC we would like to let you know what we have been getting up to and what activities the children have been enjoying, so once a month we will be keeping you updated in the school newsletter. If you think your child may like the activities we offer, please feel free to ask any questions or enquire about spaces available. We are very popular but we do have cancellations and there are normally spaces available on a Friday.

Over the last few weeks we have been making the most of the nicer weather and we had a group game of rounders on the field. We also enjoyed exploring the new improvements to the woodland walk, which the children loved. Getting crafty is always popular and we created some wonderful turtles using lots of glue, paint and shiny materials, we've put them up on our display board for everyone to see our work, they look fab!

Please contact the office for more information about ABC.

The ABC Team

The assembly value for Term 5 is "Hope"

Our Core Value for the term is "Honesty"

Front gate

To ensure the safety of all the children in the school, please may we ask you to close the front gate when leaving the school. Thank you.

A Big thank you to Nationwide Staff

"We had a group of volunteers from Nationwide who worked tirelessly alongside Mrs Simpson to make improvements to our Woodland Walk. It is now a lovely outside space for all of the children to explore and learn about the woodland environment. Mrs Simpson has further plans to develop the school grounds, including the pond, which Nationwide have offered to help with next year."
