Message from the Headteacher

We have had another busy (and hot) week in school with two class trips going out! Firstly, Birch class had a fantastic day at Longleat to link with their topic on 'Amazing Animals'. There were reports of excellent behaviour throughout the day. Cherry class also enjoyed their trip to Cotswold Wildlife Park to link to their topic on 'Animals'.

Sport was also on the agenda this week, with the year 5 footballers competing well in the local tournament run by Nova Hreed. Our teams played very well winning some of their matches. Well done to all the players and thank you to Miss Hulse and the parents who helped with transport to this event.

A group of year 5 children also headed to Abbey Park this week to attend a maths enrichment afternoon with other schools from around the area. The Bridlewood teams finished in the top two spots alongside Catherine Wayte school and thoroughly enjoyed the maths challenges they faced. Well done!

The year 6 children treated us to their performance of 'Charlie and the Golden Ticket' with excellent reviews from the audience. The singing, dancing and acting was wonderful, including some fantastic individual performances and solos. We all enjoyed the humour and the costumes and props were amazing. It was a great team effort; well done to everyone involved!

Please remember to have your say about the school in our parent questionnaires. The link is below and will only take you a few minutes to complete. This is your final chance to complete the questionnaire based on your views of the school this year.

Finally, I hope to see you all at the fete on Saturday. This is a great fundraiser for the school and the weather forecast is looking good! We are still in need of a few helpers so if you think you can spare a couple of hours please let the office or a member of the PTA know.

Online Safety

Here at Bridlewood we take online safety very seriously. We strive to educate all of our children in the importance of using the internet responsibly. Digital Parenting is a charity set up to advise and support parents and children in all things to do with using the internet and on-line presence. Please follow this link below if you would like advice on how to ensure your child is equipped with the digital life skills they need to stay safe online.

The assembly value for Term 6 is "Perseverance"

Our Core Value for the term is "Honesty"

HAVE YOUR SAY—Final week to return your questionnaire

It is very important to us, that we understand how you view our school. Your responses to our questionnaire will help us to understand what we are doing well, and where we have an opportunity to improve.

Please click on the following link to complete the short survey:

<https://bit.ly/2HuWfMK>

If you have more than one child in school and your views on things differ from child to child, please fill in a separate questionnaire for each.

Your answers are confidential and you do not need to provide your name, but a summary of parents' views as a whole will be shared with the school and will be included in our School Self Evaluation Form.

Thank you.

SCHOOL WEBSITE

Year 4	Rowan	Ms Parsons
Year 5	Maple	Mrs Donaldson/ Mrs Helsby
Year 6 (currently Y5 Rowan)	Oak	Miss Dobson
Year 6 (currently Y5 Maple)	Yew	Miss Hulse

Sun Safety

Please continue to remember to send your child in with a hat and water bottle and apply all day sun cream before they arrive at school, in order to protect them from the sun.

Lost Property

We have a growing pile of jumpers, cardigans and other lost property! Please can you help us to keep this to a minimum by naming ALL your child's belongings so that we can return items to their owners easily.

Thank you.

Musical Instrument Donation

A big thank to Mrs Rolls for kindly donating all her musical instruments to the school. Mrs Helsby will certainly put them to good use.
