

# RE:GROUP

**For those involved in running a support group for families who have a child with special needs**

**Savernake Community Centre  
Savernake Street  
Swindon SN1 3LZ**

**Tuesday 22 November**

**10am – 2pm**

- *Have you been thinking of starting a support group?*
- *Are you currently running an established group?*
- *Do you need to attract new members and link up with other group leaders to buddy up, share experiences, ideas and issues?*

**If so, this workshop is for you!**

**How much does it cost?** This event is free and lunch will be provided

**Anything else?** Find out more about what is available in the area you live; resources, websites and how other services can support you such as your CVS, Local Offer and parent carer forum. This is a great opportunity to meet others, enjoy lunch and to hear your ideas on how to better network both locally and nationally.

If you would like to attend, we can offer 2 places per support group so feel free to bring a group member. You will just need to fill out the booking form overleaf:
