A place for learning, caring, sharing and growing together.

Dear Parents,

The school photo shoot by Snappers Photography will take place next week.

We would like to inform you that there will not be a proof order option, meaning that you will not get a paper form to fill out. The order of your child's photos can be done online only.

We will provide you with a contact sheet / password card with your online credentials to your personal gallery. Once you have them, use the search bar to write the given URL - www.snappersphotography.co.uk (type it in the search bar - not google) and enter your access code on the login page. Once logged in, select and order your favourite photos.

The Photos can take up-to 5 working days before they are available to view online.

If you register your details we will email you when the photos are ready to purchase.

Regards,
