A place for learning, caring, sharing and growing together.

14/12/17

Dear Parents/carers,

As part of our drive for school improvement we have undertaken a review of homework and a new policy will be in place from January 2018 and then made available on the website.

We have simplified the expectations and homework will now be given **weekly** each Thursday and will be **expected** to be handed in the following Tuesday. This will be the expectation across the whole school.

All children will be expected to read daily and there will also be weekly spellings using our new spelling scheme for all KS1 & 2 children. In addition, KS1 children will receive a maths activity and KS2 children a maths and an English/topic activity. Reception children will receive a Reading/phonics activity and an activity linked to one of the areas of learning. There will be no homework given during school holidays.

An overview of the children's key learning for the week will be outlined in the instructions on the homework given.

If you have any questions about the changes, please speak to your child's class teacher.

Thank you for your ongoing support,

Kind Regards

Mrs Sammon
