A place for learning, caring, sharing and growing together.

16.1.18

Dear Parents,

We have been notified that we will receive our first Ofsted monitoring visit on Wednesday 17th and Thursday 18th January this week. As this is a monitoring visit, there is no official letter from Ofsted to inform you or any link to specific parent questionnaires (we already have your comments from our November parent survey, although you are welcome to update your comments on 'parentview' should you wish to <https://parentview.ofsted.gov.uk/>)

There will be three inspectors lead by an HMI on both days, carrying out a variety of inspection activities such as learning walks, book scrutiny and discussions with leaders, governors and children as well as scrutinising our documents and records.

I am sure the inspectors will be around on the playground at morning drop off on one or both days should you wish to talk to them!

Following the visit, Ofsted will report on the progress the school has made in addressing the actions from the July inspection report.

If you have any questions regarding the visit, please don't hesitate to contact us.

Kind Regards,

Mrs Vicky Sammon
Headteacher
