

Dear Parent/Guardian,

Bridlewood PTA will be going into school during the week of 5th March to assist the children in making mothers day presents to take home.

This is optional and not all children need to take part.

If you would like your child to make a present then please complete the attached form and return it along with **£2.50 cash payment in a sealed envelope addressed to the PTA by Wednesday 28th February.**

Please note the school passes all envelopes received direct to the PTA, and does not hold any money in school so cannot provide change.

If you require more than one please indicate on the form and enclose the relevant payment.

Please note we will not be purchasing extras so we cannot accept any late requests for this activity.

Kind regards,
Bridlewood PTA
